2. Agreement Structure.

HCL America Inc. is the owner and/or licensor of the Intellectual Property Rights in the VoltMX Program. HCL Technologies Limited is the owner and/or licensor of all other Program(s) and all associated Intellectual Property Rights. HCL America Inc. is a wholly owned subsidiary of HCL Technologies Limited. Licenses are granted and Support is obtained solely in connection with valid Orders. For Orders issued in the US, HCL America Inc. shall be the billing entity for each VoltMX Program Order. HCL Technologies Limited shall be the billing entity

HCLSoftware

for all other Orders. For the rest of the world the billing entity will be the HCLSoftware entity stated on the applicable Order. Each Order is subject to the terms of this Agreement and any License Information Document, if applicable, and deemed to be a discrete contract, separate from each other Order, unless expressly stated otherwise therein. Orders may be entered into under this Agreement by and between (a) HCLSoftware or an Affiliate of HCLSoftware; and (b) the Licensee or an Affiliate of Licensee. With respect to an Order, the term HCLSoftware or Licensee (or Customer) will be deemed to refer to the entities that execute such Order. Neither execution of this Agreement nor anything contained herein will obligate either Party to enter into any Orders. In the event an Order is proposed by HCLSoftware, and is deemed to constitute an offer, then acceptance of such offer is limited to its terms. As also set forth in Section 1.12 (Order) hereof, in the event Licensee proposes or accepts an Order by submitting a Licensee purchase order, order document, acknowledgment, or other Licensee communication, then regardless of whether HCLSoftware acknowledges, accepts, fully or partially performs under any such document, HCLSoftware objects to and rejects any additional or different terms in such document and no such additional or different terms will become part of the agreement between the Parties even if HCLSoftware uses or refers to such document for invoicing purposes.

3. License Grant

- 3.1 Subject to the terms, conditions, and other restrictions set forth in this Agreement, and a valid Order (including timely payments of any Fees therein), HCLSoftware grants to Licensee a non-exclusive, non-transferable, limited, and revocable license, without the right to sublicense, under HCLSoftware IPR, to install, access, and use the Programs (i) in the Territory (ii) up to the Licensed Capacity; (iii) only for Licensee's internal business purposes; (iv) for the term stated in the applicable Order; and (v) in accordance with the Documentation, License Information Document and the applicable Order. For avoidance of doubt, Licensee has no rights to create derivative works, assign, distribute, lease, rent, or otherwise transfer the Program(s).
- 3.2 Licensee Affiliates and Authorized Users may install, access, and use the Programs and Support under the terms of this Agreement, and such use shall be counted in determining Licensee's utilization of the Licensed Capacity. Licensee shall remain fully responsible for ensuring its Affiliates' and Authorized Users' agreement and compliance with the terms of this Agreement and the Order.
- 3.3 HCLSoftware may, in its sole discretion, make available pre-release, alpha or beta versions of the Program, pre-release, alpha or beta Program features and/or pre-release, alpha or beta Program code that are not generally available to date (hereinafter referred to as the "Pre-release Program"). HCLSoftware does not guarantee that the generally available release will be identical to the Pre-release Program or that the generally available release will not require reinstallation. Licensee agrees that if it registers for Support or if otherwise required by HCLSoftware, Licensee shall provide HCLSoftware with specific information concerning Licensee's experiences with the operation of the Pre-Release Program. Licensee agrees and acknowledges that the Pre-release Program (a) is to be used only for testing purposes and not to perform any production activities unless HCLSoftware shall have otherwise approved in writing and (b) has not been tested or debugged and is experimental and that the documentation may be in draft form and will, in many cases, be incomplete. Licensee agrees that HCLSoftware makes no representations regarding the completeness, accuracy or Licensee's use or operation of the Pre-Release Program. PRE-RELEASE PROGRAMS ARE PROVIDED ON AN "AS IS" BASIS, WITHOUT ANY INDEMNITY, WARRANTY OR REPRESENTATIONS OF ANY KIND, EITHER EXPRESS OR IMPLIED INCLUDING WITHOUT LIMITATION, ANY WARRANTIES OR REPRESENTATIONS OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR PURPOSE AS WELL AS ANY EXPRESS WARRANTIES PROVIDED ELSEWHERE IN THIS AGREEMENT. If Licensee is also a tester of the Pre-release Program (as defined by the pre-release testing agreement ("Pre-Release Agreement") that was agreed to by Licensee during the registration process before obtaining the Pre-release Program), Licensee agrees that the terms of this Agreement are in addition to, and do not supersede, the terms of the Pre-Release Agreement.
- 3.4 If the Program is being licensed on a trial, demonstration or evaluation basis, Licensee agrees to use the Program solely for such purposes, in accordance with the usage restrictions set forth in Section 4, for the

evaluation period defined in the applicable Order or trial document (the "Trial Period"). At the end of the Trial Period, Licensee's right to use the Program automatically expires and Licensee agrees to de-install the Program and return to HCLSoftware all copies or partial copies of the Program or certify to HCLSoftware in writing that all copies or partial copies of the Program have been deleted from Licensee's computer libraries and/or storage devices and destroyed. If Licensee desires to continue its use of the Program beyond the Trial Period, Licensee may contact HCLSoftware or an HCLSoftware Affiliate to acquire a license to the Program for the applicable fee. LICENSEE'S USE OF THE PROGRAM DURING THE TRIAL PERIOD IS ON AN "AS IS" BASIS WITHOUT ANY INDEMNITY, WARRANTY OR REPRESENTATION OF ANY KIND, EITHER EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTIES OR REPRESENTATIONS OF TITLE, NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR PURPOSE, AS WELL AS ANY EXPRESS WARRANTIES PROVIDED ELSEWHERE IN THIS AGREEMENT.

3.5 Licensee hereby acknowledges that the Program(s) may contain Third Party Software and/or Open Source Software and/or may require Program Requirements. In the event that Open Source or Third Party Software is included in the Program(s), such Open Source or Third Party Software is made available to Licensee in accordance with the licenses for such Open Source or Third Party Software. In the event that the Program relies on Program Requirements and unless expressly provided otherwise in an Order, Licensee agrees that: (a) HCLSoftware and its Affiliates have not obtained or conveyed to Licensee any Intellectual Property Rights to use the applicable Program Requirements; (b) Licensee shall be solely responsible, at its cost and expense, for procuring the required rights/licenses in the Program Requirements; (c) HCLSoftware does not provide any warranties or support for Program Requirements; and (d) any claims with respect to the Program Requirements shall be made against the applicable third party provider of such Program Requirements.

4. License Restrictions

4.1. **Restrictions.** Except for the limited licenses expressly granted in Section 3, Licensee has no further rights in the Program(s), whether express, implied, arising from estoppel or otherwise. Further restrictions regarding Licensee's use of any and all Program(s) are set forth below. Except as expressly authorized herein, Licensee will not:

- 4.1.1. prepare any derivative works, or otherwise use, copy, modify, distribute, assign, sublicense, lease, rent, or otherwise transfer the Program(s), except to the extent required by law;
- 4.1.2. use the Programs in an outsourcing or service bureau environment on its behalf and/or on behalf of non-affiliated third parties or allow the Programs to be used by an outsourcing or service bureau provider on behalf of the Licensee;
- 4.1.3. distribute the Program to end-users as on-premises distributions or offer the Program as a cloud service or software-as-a-service to any end-users;
- 4.1.4. reverse engineer, reverse assemble, reverse compile, translate, or otherwise attempt to discover the Source Code form of any Program(s) that are provided in Object Code form, except as permitted by the national or regional law of the places where the Licensee does business (without the opportunity for contractual waiver), and then only with respect to the particular copy of Object Code incorporated into that particular Program;
- 4.1.5. use any of the Program's components, files, modules, audio-visual content, or related licensed materials separately from the Program;
- 4.1.6. attempt to disable or circumvent any of the licensing mechanisms within the Program;
- 4.1.7. alter or remove any copyright, trademark or patent notice(s) in the Programs; and
- 4.1.8. use the Programs in a way that requires the Programs to be licensed as Open Source Software.

HCLSoftware

5. **Feedback.** Licensee is not obligated to provide Feedback to HCLSoftware. To the extent that Licensee provides Feedback to HCLSoftware, Licensee hereby grants to HCLSoftware a worldwide, non-exclusive, perpetual, irrevocable, royalty-free license, with the right to sublicense, under any and all Licensee IPR in and to the Feedback to make, use, sell, offer to sell, have made, import, reproduce, prepare derivative works, distribute, incorporate or otherwise utilize such Feedback.
6. **Ownership.** Licensee acknowledges that, as between Licensee and HCLSoftware, HCLSoftware has exclusive right, title and interest in and to all of the IPR in and to the Program(s). Notwithstanding the use of the terms “purchase”, “sale”, or any similar terminology in connection with a transaction contemplated by this Agreement, the Program(s) are licensed, not sold. HCL America Inc. is not a sub-licensor of the HCL Technologies Limited IPR. HCL Technologies Limited is not a sub-licensor of the HCL America Inc. IPR.
7. **Delivery.** Provided Licensee is current on all applicable payment obligations HCLSoftware will make Program(s) available to Licensee. All Programs are delivered electronically unless stated otherwise in an Order and Licensee agrees upon request from HCLSoftware to provide HCLSoftware with documentation supporting that the designated items were received electronically.
8. **Support and Updates**

Support services (“[Support](#)”) are provided by HCLSoftware as described in the current support guide (“Support Guide”) posted at <https://support.hcltechsw.com/csm>. Upon purchase of a license for the Program(s), Licensee is enrolled in standard Support for the Program(s) identified in an Order for the first 12 months thereof at no additional cost. While HCLSoftware Support is in effect, HCLSoftware may make available defect corrections, restrictions, bypasses, new versions, releases, or updates available as part of Support. Any items provided under Support are subject to the same terms, conditions, usage limitations and restrictions as the Program originally licensed to Licensee by HCLSoftware and any applicable License Information Document.

9. Licensee Data and Privacy

9.1 HCLSoftware as controller. Licensee authorizes HCLSoftware and its Affiliates to store and use Licensee's business contact information wherever it does business, in connection with Licensee's use of HCLSoftware Programs and related services or Support, or in furtherance of HCLSoftware's business relationship with Licensee. Any personal data used by HCLSoftware as a data controller will be processed under the terms of the HCLSoftware online privacy statement found here: <https://www.hcltechsw.com/wps/portal/legal/privacy>.

9.2 Data excluding personal data. To assist Licensee in isolating the cause of an error or Problem with the Program(s), HCLSoftware may request that Licensee send certain information to HCLSoftware. Such information may include metadata, usage metrics, and/or system data, excluding personally identifiable information. Licensee acknowledges that HCLSoftware uses information about errors and problems to improve its products and services and to assist with its provision of related Support offerings. Licensee is responsible for ensuring that such data is backed up before providing same and that it is sent only through HCLSoftware approved secure channels.

9.3 HCLSoftware as processor. To the extent Licensee provides personally identifiable information to HCLSoftware for purposes of using the Program, or for receiving Support or related services (including information contained in a support ticket or file attachment), such information shall be processed by HCLSoftware as a data processor. The terms of the HCLSoftware data processing addendum (“DPA”) found at <https://www.hcltechsw.com/wps/portal/resources/master-agreements> posted as of the Effective Date shall apply to such processing and are hereby incorporated by reference. To the extent personal data from the European Economic Area (EEA), the United Kingdom and Switzerland are processed by HCLSoftware, the Standard Contractual Clauses shall apply, as further set forth in the DPA. For the purposes of the Standard Contractual Clauses, Licensee and its applicable Affiliates are each the data exporter, and Licensee's acceptance of this Agreement shall be treated as its execution of the Standard Contractual Clauses and Appendices. Licensee acknowledges that it shall have no reason to provide sensitive personal data/special category of personal data to HCLSoftware for any purposes and shall not include same in any support ticket or file attachment without HCLSoftware's prior express written consent.

HCLSoftware

9.4 Protection of Licensee Data. HCLSoftware will maintain appropriate administrative, physical, and technical safeguards for protection of the security, confidentiality and integrity of Licensee data, as described in HCLSoftware's Technical and Organizational Measures found here: <https://www.hcltechsw.com/resources/sw-toms>

10. Payments.

10.1. Fees. Licensee will pay any and all Fees, without deduction, offset or withholding, as detailed in the Order. Except as provided therein, all amounts in the Order are in United States Dollars (USD). HCLSoftware will invoice Licensee annually in advance. Licensee will pay HCLSoftware for the amounts due, owing, and duly invoiced under the Order within thirty (30) days of the date of invoice. Licensee shall make all payments pursuant to the Order through electronic transfer of funds to the designated bank accounts as nominated by HCLSoftware in writing. Overdue amounts payable under the Order will bear interest from the original due date at the rate of one percent (1%) per month or the maximum legal rate, whichever is less. Except as provided in this Agreement, all Fees are non-refundable and non-cancellable. If the Licensee has a bona fide dispute in respect of the whole or any part of any invoice, Licensee shall notify HCLSoftware in writing within ten (10) days of receipt of an invoice and, if a dispute remains unresolved within 10 days of receipt of notification, Licensee may withhold payment of the amount in dispute but shall pay the undisputed amount in accordance with this Agreement. If HCLSoftware subsequently determines any disputed amount is due from Licensee, or if the Parties resolve the payment dispute, the amount due shall be paid within 7 days after such determination or resolution.

10.2. Right to charge additional Fee. Where applicable, HCLSoftware reserves the right to charge, upon notice to the Licensee, additional fees if applicable for (i) over deployment as per Section 11; and (ii) re-instatement fee for lapsed Support and/or other Program.

10.3. Taxes. All Fees quoted are exclusive of taxes. Licensee is responsible for payment of any and all sales, use, value added, GST, and other similar taxes or governmental fees associated with the Order, except for taxes based on HCLSoftware's net income, gross revenue or employment obligations. If HCLSoftware is obligated by applicable law to collect and remit any taxes or fees, the appropriate tax or fee amount will be charged and set forth in the applicable invoice. Licensee agrees to bear any withholding tax liability as may be required by applicable law and would increase payment due under the Order by such an amount so that the net payment made to HCLSoftware after deduction of applicable withholding tax is the same, had there been no withholding tax applicable. Licensee is solely responsible for timely and accurate payment of applicable taxes and fees without deduction from HCLSoftware's invoiced amounts, irrespective of what HCLSoftware's invoice may state. Subject to applicable laws and presentation of a valid tax exemption certificate provided within the period of the payment terms, HCLSoftware will make relevant adjustments in the invoice. Licensee shall remain liable for any incorrect claims of tax exemptions.

11. **License Compliance**. Licensee agrees that HCLSoftware may, no more than one time per twelve (12) month period, audit the Licensee's use of the Programs including but not limited to software logs of Licensee, its Affiliates and Authorized Users, relating to the Program in order to verify their use in compliance with this Agreement and/or the Order. HCLSoftware may make copies of any such software logs to the extent necessary to verify Licensee's compliance with the terms hereof. HCLSoftware may at its option and cost, engage an independent third party to do such audit, provided that such third party is subject to confidentiality obligations consistent with this Agreement. The audit may be conducted at any sites of Licensee's Affiliates and Authorized Users, where the Program is installed, used or accessed from, including remotely. HCLSoftware will bear its own costs in connection with an audit. HCLSoftware will provide fifteen (15) calendar days' notice prior to an audit. Any such audit will be performed during the usual business hours of the Licensee, its Affiliates or Authorized Users and HCLSoftware will use commercially reasonable efforts to have the audit conducted in a manner that minimizes disruption to business. Licensee, its Affiliates, and Authorized Users will provide all assistance reasonably necessary for HCLSoftware to carry out such audit. If the audit reveals underpayments, including but not limited to any underpayments due to any usage of Programs other than as authorized in this Agreement, Licensee will promptly make such payments and in case of unauthorized usage, pay for the

HCLSoftware

differentials at HCLSoftware's then list price for the Program. As with all provisions of this Agreement, HCLSoftware's rights and remedies in this section will be without prejudice to other rights and remedies HCLSoftware has under this Agreement or in any Order, at law or in equity. HCLSoftware's audit rights under this section will survive for two years beyond the longer of the term license on the Order, the relevant perpetual License or the Agreement.

12. Term and Termination.

12.1. Term. This Agreement shall enter into force as of the Effective Date and shall remain in force until terminated in accordance with the terms contained herein. The Program license period ("Subscription Period") and Support period ("Support Period") are set forth in the applicable Order.

12.2. Termination by Licensee. Licensee may terminate the applicable Program license or Support in an Order upon written notice to HCLSoftware if HCLSoftware commits any material breach hereunder and fails to cure such breach within thirty (30) days after Licensee notifies HCLSoftware in writing providing details of the breach.

12.3. Termination (or Suspension) by HCLSoftware. HCLSoftware may terminate or suspend this Agreement and/or any Order(s), in whole or in part, and at any time if:

12.3.1. If HCLSoftware does not receive payment against HCLSoftware's invoices in accordance with the payment terms under this Agreement or an applicable Order (i) within a further fifteen (15) days after the relevant due date, or (ii) on more than one occasion in any 12-month period;

12.3.2. Licensee infringes the IPR of HCLSoftware, its Affiliates, or its licensors or uses the Program(s) outside the scope of the license;

12.3.3. Licensee commits any material breach of this Agreement or any Order (i) and fails to cure such breach within thirty (30) days after HCLSoftware notifies Licensee in writing of the breach, or (ii) if such breach is incurable; or

12.3.4. Licensee (i) files, or has filed against it, a petition in bankruptcy, (ii) has a receiver appointed to handle its assets or affairs, (iii) makes or attempts to make an assignment for benefit of creditors,

in each case, HCLSoftware shall provide written notice of termination and/or suspension.

For avoidance of doubt, HCLSoftware's rights to terminate or suspend are in addition to any other rights HCLSoftware may have.

12.4. **Effect of Termination or Expiration**. In the event of termination or expiration of this Agreement or an Order, in whole or in part:

12.4.1. All affected licenses granted hereunder will terminate, except perpetual licenses (unless terminated as provided herein);

12.4.2. Licensee shall pay to HCLSoftware, on the date of termination or expiration, the total amounts due per the Agreement and/or the Order, and, unless Licensee terminated for HCLSoftware's uncured material breach, Licensee shall pay all Fees that would have been paid over the term of the Order and/or Agreement had the Agreement or Order (as the case may be) not terminated;

12.4.3. Licensee will return to HCLSoftware, and/or certify that it has destroyed all copies of, the terminated Program(s) and Documentation (except for perpetual licenses unless terminated as provided herein), which are in the possession of the Licensee;

12.4.4. all affected Support obligations under the Agreement or an Order will terminate, and Licensee will no longer have access to same;

12.4.5. HCLSoftware will be entitled to deactivate license keys (remotely or otherwise) or shut off Support for the terminated Programs.

12.5 **Effect of Suspension.** In the event of suspension of an Agreement and/or an Order, in whole or in part, by HCLSoftware:

- 12.5.1 Licenses to the affected Programs and/or provision of Support will be suspended during the suspension period;
- 12.5.2 HCLSoftware's obligations (except for confidentiality) will be suspended during the suspension period;
- 12.5.3 Licensee will be liable for Fees for the suspension period;
- 12.5.4 Licensee's obligations continue to be in force during the suspension period;
- 12.5.5 Suspension will not be withdrawn until HCLSoftware is reasonably satisfied that Licensee has cured the conditions that led to the suspension.

13. **Confidentiality.** Except as otherwise expressly permitted in this Agreement, both Parties will hold in confidence the Programs, Documentation and all other non-public or proprietary information or any other information that by its form, nature, content or mode of transmission would to a reasonable recipient be deemed confidential or proprietary as made available by the disclosing Party ("**Confidential Information**"). Both Parties agree that the Programs and Documentation will be treated as proprietary trade secrets of HCLSoftware. Neither Party will make Confidential Information available in any form to any person or entity other than to its respective Affiliates and Licensee's Authorized Users on a need to know basis and subject to the same restrictions of this Section 13. Recipients of Confidential Information that are not employees of either Party must be subject to confidentiality restrictions no less stringent than those contained herein (in the case of non-employees such restrictions will be contained in a written agreement executed by the applicable contractor/person/entity). Each Party warrants to the other Party that it maintains a system of confidentiality to protect its own Confidential Information, including written agreements with employees, that the Confidential Information will be protected by such system using no less than a reasonable degree of care, and that it shall ensure its recipients' compliance with this Section. If the receiving Party at any time becomes aware of any unauthorized use or disclosure of the disclosing Party's Confidential Information, it will promptly and fully notify the disclosing Party of all facts known to it concerning such unauthorized use or disclosure and reasonably cooperate with the disclosing Party in seeking a protective order or other appropriate remedy to limit such disclosure.

14. **Performance Warranty.**

14.1. HCLSoftware warrants that the Programs will operate materially in accordance with the applicable specifications set forth within the Documentation for a period of six (6) months ("**h a**" after delivery of the Programs subject to Licensee's compliance with the Agreement ("**Performance Warranty**").

14.2. The Performance Warranty does not cover Problems, failures, or defects in the Programs caused by any act or omission of Licensee or its representatives, or any other non-HCLSoftware person or entity, including but not limited to: (a) the misuse of or damage to the Program; (b) modifications to the Programs not made by or as authorized in writing in advance by HCLSoftware; (c) combination or use of the Programs with other software, hardware or cloud infrastructure not provided by HCLSoftware; (d) use of the Program in an operating environment other than that described in the Documentation or Program Requirements mutually agreed in writing; or (e) failure to install updates, patches or fixes provided by HCLSoftware.

14.3. THE LIMITED WARRANTIES EXPRESSLY SET FORTH IN SECTION 14.1 ABOVE ARE LICENSEE'S EXCLUSIVE WARRANTIES. HCLSOFTWARE DISCLAIMS ALL OTHER WARRANTIES OR CONDITIONS, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OR CONDITIONS OF MERCHANTABILITY, SATISFACTORY QUALITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND ANY WARRANTY OR CONDITION OF NON-INFRINGEMENT. SOME STATES OR JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF EXPRESS OR IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO LICENSEE. IN THAT EVENT, SUCH WARRANTIES ARE LIMITED IN DURATION TO THE RESPECTIVE WARRANTY PERIOD. NO WARRANTIES APPLY AFTER THE WARRANTY

PERIOD. SOME STATES OR JURISDICTIONS DO NOT ALLOW LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO THE ABOVE LIMITATION MAY NOT APPLY TO LICENSEE.

14.4. THE WARRANTIES IN THIS SECTION 14 ARE PROVIDED SOLELY BY THE HCLSOFTWARE ENTITY LICENSING THE PROGRAM AND NOT BY A THIRD PARTY OR ANY OTHER HCLSOFTWARE ENTITY. THE DISCLAIMERS IN THIS SECTION 14, HOWEVER, ALSO APPLY TO ALL HCLSOFTWARE ENTITIES AND THEIR LICENSORS AND SUPPLIERS OF THIRD PARTY SOFTWARE. THOSE SUPPLIERS PROVIDE SUCH SOFTWARE WITHOUT WARRANTIES OR CONDITION OF ANY KIND.

14.5. **Performance Warranty Remedy.** In the event of breach of the above stated Performance Warranty, Licensee's remedy is for HCLSoftware, in consultation with Licensee, to either (i) use reasonable efforts consistent with industry standards to repair the defect within a commercially reasonable time frame, (ii) replace the affected Program(s) with one that materially complies with the Documentation, or in the event (i) or (ii) do not resolve the issue to then (iii) terminate the license and provide a pro-rata refund of the license fees paid and/or Support fees to Licensee. If option (iii) applies, the pro-rata refund shall be calculated on the number of months left remaining on the Term of the applicable Order or if the Program(s) is licensed under a perpetual license, using (only for purposes of a refund calculation) an amortization schedule of three (3) years. The above warranty remedies are HCLSoftware's sole obligation and Licensee's sole and exclusive remedy for breach of the above Performance Warranty. The Performance Warranty Remedy is conditioned upon (i) any error or defect reported is reasonably reproducible by HCLSoftware, (ii) the Program(s) is not modified and is being used in accordance with the Documentation and the terms of the Agreement, and (iii) the breach is not attributable in whole or in part to any non-HCLSoftware products or services.

15. Indemnification

15.1. HCLSoftware will, at its election, settle or defend, any third party claim brought in any suit or proceeding against Licensee based upon an allegation that any Program(s) furnished hereunder constitutes a direct infringement of any patent, trade secret or copyright, and HCLSoftware will pay all damages and costs finally awarded against Licensee for the claim or agreed in settlement by HCLSoftware. In the event of any claim, allegation, or suit, HCLSoftware, in its sole discretion, may reengineer the Program(s) in a manner that removes the infringing material, replace the Program(s) with non-infringing software, or terminate the Agreement or applicable Order. HCLSoftware will not be liable for any costs or damages and will not indemnify or defend Licensee to the extent such action is based upon a claim arising from:

15.1.1. modification of the Program(s) by a party other than HCLSoftware after delivery by HCLSoftware;

15.1.2. use of the Program(s) in combination with hardware or software not provided by HCLSoftware, unless the Documentation refers to combination with such hardware or software (without directing Licensee not to perform such a combination);

15.1.3. any failure to use the Program in accordance with the Program Requirements and/or Documentation;

15.1.4. any unauthorized use of the Program(s);
